I talked further with [REDACTED] about the Midcareer presentation on 25 October. He told me that [REDACTED] is scheduled to talk from about 0830-0930 that morning, and that he had scheduled you for 0945-1200 (or thereabouts). In view of this, would you consider leaving at 0815 rather than 0800 as we discussed this morning? Leaving at 0815 will get you [REDACTED] and give you a chance to catch your breath before starting at 0945. I gave [REDACTED] a general outline of the afternoon schedule, including your summation at the end from about 1630-1700. He said he is "loose" and the day is yours to do with what you will. The program goes to press on Monday and the titles of the DDS&T presentations should go in there about that time. Once again, based on your remarks this morning, I'll write up an agenda -- but I would like to see you for a few minutes tomorrow to get your OK.
